“ *Mark has been a part of my life since I was six. Sometime in the background, but mostly in the foreground. I loved him dearly. He has always been a good friend. I loved him like a brother, he was one of the most wonderful people I have ever known! My heart is broken.*

I am so sorry to hear of Mark's passing. We were close friends in high school, I still have a very touching letter he wrote me. I will always remember him. Sadly I haven't seen him in years. Prayers for your family during this difficult time.
