“ In honor and memory of Mark, I'm lighting this blue candle. He once got me a Lindy Blue Star ring. Well, maybe his Mom, Pat did...haha...she was always great about remembering gifts for me when he didn't have one and needed one. And making him the best sandwiches! Mark and his Mom were very close. We used to like to go out to the Pool Park and look at the stars a lot. Peaceful there and nice to talk, Mark loved to talk. My Mom would always wonder WHAT he had so much to talk about for all the years we dated in High School.... but he did have alot to say back then. He was full of life, had a real swagger about him from the moment I first saw him walk across the street from his house I said to my BFF, Lori Howell Donovan....."He's goin to be MY Boyfriend" and he was 💋
