“ Mark & Kevin took outstanding care of my parents, Rita & Joe LaMontagne, when they were residents of Heritage Village. You could always count on them to get things done. No matter what the problem or concern, if you told Mark & Kevin, you could rest assured it would be taken care of. The compassion shown for the elderly was stellar. The world is a better place because of this find young man. Our deepest sympathies to the family. Mark made the world a better place.
