“ *I was one of Marks' karate instructors years ago. He was a very good student, and i am seldom impressed. I was impressed with his desire to learn more and had the right attitude.
I am very sorry to hear of his passing. My prayers are with his family at this time.

“ *I remember Mark as a baby in the 70's and thinking how much he looked like his father. But then, it's only natural for a child to look like one of their parents. He was a rambunctious little boy as I remember, and quite a handful for both mom and dad. My deepest sympathy to Brian, Deb, and Family.*

“ *In high school, Mark and I worked together at the Taco John's. He was awesome, he taught me karate, how to roller blade, and let me take the lead when we went on the trails at the state park, I always chose the hardest. Our group spent an entire summer hanging out at Mark's. He was a great friend, and a huge influence on me in those days. I will always remember him.*
