

Sergeant Marlene R. Rittmanic

October 6, 1972 - December 30, 2021

Bradley Police Department Sergeant Marlene R. Rittmanic was killed in the line of duty on Thursday, December 30, 2021. Marlene was born on October 6, 1972, the daughter of James and the late Mary Jane (Thompson) Rittmanic. She met her wife, Lyn Stua, on May 31, 1999 and they were married on June 11, 2011. Marlene was a 21-year law enforcement veteran, having served as both an Iroquois County Deputy and then Bradley Police Officer as of February 13, 2007, she was promoted to Sergeant on September 2, 2014.

Marlene is survived by her wife Lyn Stua of Kankakee, her father James Rittmanic of Naperville, sisters Kimberly Organ of San Marcos, TX, Christina (Ty) O'Connor of Woodlawn, TN, Kathleen (Rodney) Emme of Bourbonnais, Colleen Welch of Plainfield; brother James (Trish) Rittmanic of Oswego; Sister Jennifer (Jerry) Whitaker of Kankakee; as well as several extremely loved, cherished, and close nieces and nephews.

She was preceded in death by her mother Mary Jane Rittmanic, Sister Diana Jessen, Brothers Richard Rittmanic and Mark Rittmanic, and Nephews Richie Absher and Brett Mayhood.

As avid dog rescuers, Marlene and Lyn have loved Mickey, Valentine, Samantha, Boo, Sophia, Trigger and Abeline.

Marlene was a leader in community policing-Marlene believed in people and

her ability to speak to the community with respect; meet them where they are in life; try to understand their true needs; and work together to find a solution that produced the least disruption in people's lives. To her- the job was about making the community safe for everyone, she believed and I'm quoting her "just because you can, doesn't mean you should." She was awarded Law Enforcement Officer of the year in 2020. Marlene is a published Poet, she was an amateur photographer and film producer for our family events, Bradley Police Department and community events.

“ *Lyn and family my deepest condolences.
I first met Marlene back when she was doing loss prevention at the mall and I was a patrolman on Bradley. She then joined the aux. and she put in alot of time on ride alongs. Always looked forward to her ride alongs, always had great conversations, and laughs, similar sense of humor. When she joined Bradley again after Iroquois county I was honored to have her on midnights with me till my retirement. Shortly after she got promoted we were at a retirement party and were joking around with Steve LaFrance and she said she had my old ID # 525. Steve was joking about following in footsteps and I said nope Marlene will carve her own trail, and she did just that. I was a member of the honor guard from the very start and my last detail was at the courthouse for a memorial service and it was Marlene's first. I will cherish that photo and all the great memories. Marlene I know you are watching over all of your brothers and sisters in blue with Wil from up above, it has been an honor and privilege to have known you and work with you.
Marlene rest easy and I will see you on the other side.*

The way in which this lady police officer pleaded for her life makes and they killed her anyway, makes me angry. I wanted to share these two quotes that speak to how fleeting and valuable the beautiful and precious things are in this world. This community was extremely fortunate to have had such a person in it. “ As a retired Law Enforcement Officer, I have experienced what it is like to lose a fellow Officer. It is not something you get over, in time you do get through it though. We are a tight knit community in this profession because we trust each other more than we trust others. When I hear of the senselessness of these cowardly actions, I die a little more.

My heart goes out to the families of both Officers. May the memories of these loved ones far exceed the pain of the loss and shine brightly for others. When her name is mentioned, show your pride and smile your biggest smile. It is not how they died that made them heroes, it is how they lived. May God bless all of you.

“ I knew Marlene primarily through her work in the union. She was not only a dedicated and skilled officer, she served her co-workers through her handling of problems as a union steward. Her dedication to her job and her concern for her fellow human beings was clearly evident in all she did.

“ *Marlene you were a friend, a great Police Officer, Detective and Sgt. I remember when you started as Auxiliary and you would flush the crowd out after our Fish Fry. Then we had many years working fires/arson cases. You were smart, full of life and I watched your kindness and compassion on so many calls. You kept us safe each time. Now it's time for us to Honor your life. I will see you on the other side and we can once again laugh and joke and poke fun at each other. You were the kindest Officers I have ever worked with. And I will miss you my friend. With duty honor and respect. Eric Dockus*
