“ *Heaven has indeed recieved a very special angel when Marshall arrived. I can remember him and the antics he and my brothers executed and could write a best seller on the things he did for other people. He was a wonderful person and if you ever got to know him you would never forget him. Rest in peace great guy. We love you.

“ *I was Mashall's mailman at both his home and business for many years, seeing and talking to him almost daily. He was never too busy to spin a story or two, and was always eager to offer good advice. His friends, family & the community will miss him.*

“ *I am so saddened by the loss of Marshall. I always looked forward to our chats-he always had a story to tell. Even when he was going thru tough times with his illness he always took the time to ask about my mom because he genuinely cared about other people. I will miss this kind and caring man so much! My thoughts and prayers are with you Judy and your family at this difficult time.*
