“ Bud and I worked together at Holly's furniture in Joliet. We quickly became friend's friends ,he was the kind of guy that would give you the shirt off of his back,always wi.ling to help you out..when Holly's closed we kind of lost touch, I went to work for Joliet cabinet and he found a different job. We talked from time to time I move my family to northern Wisconsin. In 97 I lost all touch.. tried to catch up with him but never did.. I sure miss my old buddy and his mom's homemade mayo.
