“ Linda, Kevin and family - my condolences. Marvin will be missed by everyone who had the pleasure of knowing him. Dad and Marvin always seem to enjoy their visits together and I certainly enjoyed listening to them! I hope that they are visiting together again as I write this.

“ Linda and family,

*We are so sorry to hear of Marvin's passing. I remember so many times you and Marvin, my folks, the Carons and the Guimonds going out to dinner or on vacations. I can still see all you "crazy kids" going out to listen to your favorite band many years ago. I know Marvin suffered these last few years but always keep those memories of all the good times you four couples had. We wish you comfort and peace.*
