“ Aunt Mary will forever live in a very special place in my heart and my thoughts. I am glad for times shared with her, and for words spoken with her, which will remain as special treasures for me. I will always hold close the memory of her most terrific smile!

Please accept my very sincere sympathy on such a great loss. Prayers go out to the entire family, in particular to you, Uncle Tom. May your forever-love warm your heart. I am so grateful to have celebrated that love with the two of you last summer at your anniversary party. It was great for Bob and me to share in this day with the two of you, and your family. How nice to have been a part of Aunt Mary's story with you in this way. Happy to have been included!

Aunt Mary, you are missed! And definitely honored! Peace to you.

Bless you all!

Love,

“ *What a blessing to have known her. She will always be with us, if we keep her in our hearts and remember her. One of the most beautiful people and spirits and she has passed that down to her children. She brought so much and was always laughing and making others laugh. Let's stay in touch. Brenda, it was so good to talk to you. Let me know if there is anything and we stay in touch and do the things we talked about. I love you, Diane*###imported-begin###Diane###imported-end##
