“ Mary was a long time member of the MAPS community and helped us with our MAPS Charities luncheon. She always had a smile and sweet words. She will be missed by many of us. No matter how late Mary came in to our meeting--she always came up to me (treasurer) and gave me her check. Wish there were more people like her. Hope comments from those of us who knew her will help you in your time of loss

“ I am sincerely sorry for the loss of Mary's free spirit. I have had thoughts of her recently before seeing this obituary in the paper. I lost track of Mary 45 years ago. We both worked together at the now defunct Kankakee Valley Park District Swimming Pool on Hickory Avenue. She was 2 years ahead of me in college. She attended Northwestern and I went to Illinois State University. We wrote to each other during her Junior year there. We went our own ways in life in the summer of 1972. I quit school and worked with her brother Tim at the closed Meadow Gold Ice Cream plant on West Avenue in Kankakee during the summer of 1973 or 1974. He was also a free spirit then. During these last 45 years I have wondered what happened in her life and where was she off to? From the posted pictures I see she had some joyous moments. I truly hope she was happy. Blessings to her and her family. Deepest condolences to a long lost friend!
