“ *Mary was the sweetest neighbor you could have. She would send over some type of baked good at least once a week. She would come over and get my son to come swim in the pool in the summertime and occasionally watched him for me when needed she love to work in the yard and keep her grass looking like carpet we couldn't have asked for better neighbors she will be missed God bless her.*

“ *My sister, brother, and I all spent many hours on her bus route. Boonies, bullies, snowstorms, slackers: she'd handle it all with cool grace, and always made us feel safe, and loved. I will always be thankful and always remember.*
