“ *Mr. Fritz and Austin,*

We are so sorry to hear about your loss. Each day Mary and Austin would come get Arctic Rushes, I just loved her smile and laugh. In a world full of crabby people, she could always make our shifts a little better :) Please don't be strangers!

With sympathy, All the Staff at the Station St Dairy Queen

“ *To Mary's husband and son, I am so sorry for your loss, Mary was a kind and sweet person . I met Mary year's ago in HS and again when she began working at Dr. Ansari's office. My mom felt Mary's love each time she went into the office as did I. Mary and Mom can now meet again in heaven and join each other on the streets of gold that God has prepared for them. My prayers to each and everyone of you, may you find God's arms wrapped gently around you as you remember Mary, forever in your hearts.*

“ Dear Steve and Family,

I am so saddened by the news of Mary's passing. Mary will always be remembered as one of my best friends growing up. Some of the best memories of my childhood can be tied to the Davis house on Evergreen. The extreme hearty laughter of Mary, her mom, her sister Sandra and brother Steve rings through my mind and heart. They all had the most electric smiles, even Terrence!

I loved our afternoons watching Dark Shadows together, summertime sleep overs and way too many stories to share in this brief note.

Steve I was there when you committed your lives together as husband and wife. I remember it fondly.

My heart goes out to you and all of your family. A truly devoted mother and wife.

Please know how much my heart aches today over finding out about the passing of a truly beautiful human being. She will be missed,

All my love, respect and prayers,

Mary Rapier-LaLuna

“ Dearest Steve and Austin,
We were so shocked to hear about Mary, She
was a beautiful person inside and out. I
always loved her laugh. She had such a heart
of gold, my girls just loved her.

She had amazing sense of humor, as Dave found out on his 50th
Birthday, as we remember they celebrated the same month and
date. We still have the pictures of Daves Bronco with balloons and
signs all over it, the look on his face when he went out that morning
and seen his truck...He even drove it to work. .lol

The neighborhood will not be the same, Ill miss her driving by and
honking at me when Im in the yard. She was very special to our
family. If you need anything just call we will be there, our heart and
prayers are with you at this time.

God Bless you and Austin,
Your Neighbors and friends,

“ *Dear Steve and Austin,
We wanted to let you know that both of you are in our thoughts and prayers. What I remember most about Mary is when Austin and the boys were in school together. Mary was always ready to help with class parties and we went on many class field trips with the kids classes. She had a great smile and she loved to laugh. Those are wonderful qualites to have in life. Mary was a proud mom, her family seemed to always be everything to her. May the many memories you have of Mary bring you comfort in the days ahead. Thinking of the whole family....*
