“ I am so thankful that the Gleason family invited the Lane family to
their golf get together in Wisconsin two summers ago. We were so
delighted that our Mom (Betty) got to visit with her sister, our Aunt
Rosella. What a blessing that they were able to spend the day
together. Love you Aunt Rosella!

“ I'll never forget staying with grandma in Arizona as a kid, and she made enough spaghetti to feed an army, and we ate it every night for a week straight. lol. It seems that she was always wanting to feed people, one time waking up at 5am to make my Dad and I bacon and green eggs, even though we didn't wake up until 8am. She was a character, one of a kind, and she will be missed.

“ Love you Gram! You will live in my heart for all years to come. You are part of the woman I have become. Feel so blessed to have been able to spend so much time together. You were the Matriarch of this family and you will be so missed... EVERY MINUTE. It makes me happy to know that when I am sad or I am sick, you will have a wing wrapped around me. And, even though you are in heaven now, I am still holding you to the deal we made oh so many years ago... that you will sing at my wedding. And one last thing... Pardon me, do you have any grey poupon? xoxo forever and always!!!
