“ I remember seeing Aunt Mary over many, many years, especially in the later years when she lived in Kankakee along the river, where Dad eventually moved.

Aunt Mary was big on crafts, she could make silk flowers look absolutely real. ĩ½She also made beautiful doilies, which I still have one as a remembrance.

She was a "great Aunt" to be around. She was a very loving person with a great sense of humor. ĩ½Our deepest sympathy to my cousins, please know she is at peace with the Lord Jesus and her family. ĩ½God Bless you all.##imported-begin##Deacon Terry & Georgia Mancuso##imported-end##

“ I am so grateful for the memories I have of Aunt Mary. From the time I was a little boy in Watseka, all the way up until a couple years ago when Sue and I visited her in Kenosha. I wish we could have flown up last week to be with you all, but please know that we were with you in our hearts. Our thoughts and prayers are with you. Take care, and please keep in touch.##imported-begin##Dennis & Sue Mancuso##imported-end##

“ I have lots of fond memories of Aunt Mary, while I was growing up in Kankakee. She was always so generous with everyone, with us as children, and as adults. I remember our visits with her when she lived in Kenosha, and how we enjoyed her delicious cooking, following in Grandma Mancuso's footsteps, but adding her own special touches as well. I am sure you will all miss her, and we want to express our deepest sympathies to Bob, Michael, and Kenny. I know you will miss your Mom, I know the feeling. But she is in a better place now, receiving her just reward for a wonderful caring life.

Love, Joe, and Carolann
