“ *So sorry for your loss. I have many old memories of weddings and parties past, where the ladies would sit and talk and laugh! What I remember the most about Aunt Mary was her kindness .*

“ *Hi Aunt Mary. I have some really nice memories of parties at your house when I was a little girl. You always made the best food. I wish I could have gotten to know you better when I became an adult. You are with so much family now. Give my mom and my gram a hug for me. I know they are all happy to have you home. You made an impact on so many lives. You will be very missed. Rest in peace. Youve earned it. Love and hugs.*
