“ My sincere condolences to Mary Margaret’s husband, Donald, and family on her sad passing. I remember her visit to Kerry, Ireland, in 1966(?). Her sister, Rita, was with her. I also remember Christmas cards proudly showing her family, treasured by my grandmother, and shown with pride to visitors and neighbours. My recollection is of a gracious and gentle woman. May she Rest In Peace.

Anne... where are you living? We are hoping to get to Ireland this year with one of Margi's daughters. It would be wonderful to see you. Are you Uncle Frank's daughter?

My father was Patrick (Pop) - eldest. I would be delighted to meet you and of course Margi's daughter also. I live in Dublin and I still have family house in Kilcummin. My email is finneganan@hotmail.com Would be nice to meet in Kerry. Sadly Uncle Frank died September last. He was so good to visit and full of fun to the last. Let me know and we can arrange.

“*Dear Don & Family, I am so saddened to learn of Margi's passing. I have such fond memories of her, especially the time I was 14 and stayed with you for a week while my parents were out of town. She was so warm and welcoming and I so enjoyed my stay, even though several of the children had mumps and then I got them. Margi was a beautiful lady inside and out and I know she will be missed by so many. I live in Arizona now, or I would most certainly be there to pay my respects.*

“ My deepest sympathies to all of her family. I didn't really get to know her until we started family reunions at Wesie's place in West Lafayette. I just remember how beautiful she was and so sweet. I am from the Eberle family tree, Paul's granddaughter and Jim Eberle's daughter, Jenny. Again my thoughts and prayers are with all of you.

“ *David & Mike - your mom was always such a first class lady in all my interactions with her through Bishop McNamara and the Kankakee Country Club. I remember her inviting me to a Purdue football tailgate party and just keeping my plate filled. I hope you can have lots of laughs and tears recalling her life and her influence on your lives.*
