“ Hi Deb, Brian, and Family...

I was so sad to read about your Mom, Deb. I had called her a while ago, and she didn't remember me, but was still soooo sweet. She took my name and number and said she'd tell you about it when she spoke to you. She was always so proud of you, your educational accomplishments and your children...and adored Brian. The photo in the paper of her was beautiful, just like I remember her.

I really miss your smiling faces and would love to get in touch with you sometime. Feel free to call or e-mail me at anytime. It would be wonderful to catch up.

Love and blessings to you,

Barb and Ken Johnson###imported-begin###Barbara Johnson###imported-end###

I was so sorry to hear about the passing of your mother. Joyce always kept me informed since we play cards together. I thought she was still in the nursing home.

You have my deepest sympathy and my prayers .##imported-begin##Theresa O'Connor##imported-end##
