“ I had the pleasure of meeting Mary at Westwood Oaks/Butterfield Court. I was her "teacher" for her craft class there. I was employed as an activity person. We absolutely had a great time together..she attended every week for a long period of time, (while she was able)...we painted and glued and stitched things together. She always had a smile for me and she was as sharp as a tack. I also had fun with her at bingo time... I can still here her sweet voice when she won! BINGO! :) I feel privileged to have had much quality time with such a lovely Lady. My condolences to the family who loved her. sincerely, Tracey...p.s. during crafts we personalized i ½ many items with the name "Tracy" her granddaughter"she would proudly announce! ....i am sure she treasures those.##imported-begin##Tracey Arseneau##imported-end##
