“ All tho we did not share many times with you and Jim, the times we did were memorable, especially the time we took the girls to NIU, boy was it cold that day. That day was the start of a friendship that will be with us always, I just wish there had been more.

We know heaven got better the day you entered, you will be in the hearts of many for a very long time. We will be visiting with you Jim.

“ *What a pleasure it was to know your Mom. She had such a calmness about her that was infectious. How kind, caring, warm and friendly she was. It was nice playing bunco with her over the years and getting to know her. She raised 5 remarkable daughters, to love one another unconditionally and selflessly. Not all families are lucky enough to have that kind of family bond. She will be greatly missed. May you find comfort, at this difficult time remembering all the good times. How sorry I am for your loss.*

With Much Love;
