“ *I'm so sorry to read this today. My name is Lynne Casper Keltner, and Mary Kay and her family were neighbors years ago. Mary Kay would have known my sister Donna Casper more than me as I was older and wasn't really close to Mary Kay, but did know her and her Wonderful family. It was good seeing her sweet smiling face here in this photo and read and folks that will miss her beautiful presence. To me, 68 years of age is very young to go today and I'm just so sad to see this. But with that said, she's now with her family that's she missed so badly for so long and her earthly woes are now a thing of the past. RIP sweet Mary Kay!*
