“ Mary touched my life when we were both much younger. I did my student teaching with her my last semester at Olivet in 1964. She was such a great model, but at the same time, she let me make my own decisions even if they were wrong ones. The successful teacher that I became (for 49 years) all started with Mary in the classroom she so lovingly shared with me.

“ Beth and Ed, I am so sorry to hear of your mom's passing. She was an important role model in my life and I will always remember her kind and caring spirit. She loved you both so very much. She and your dad trusted me as your babysitter and during those experiences I learned how to care and love a child. She was gentle, patient and always nurturing. She was my Confirmation sponsor as she was a woman of great faith.

“I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.” -(Leo Buscaglia)

May you find comfort in your memories and from the love and support of friends and family. Thinking of you...

“ My heart goes out to you, Beth and Ed!! Your mom was one of the sweetest & loving of all of our moms (room moms) growing up @ St. Martins!! She always made going to your house for sleep-overs, parties and just hanging out such fun in our young growing up years!!! I recall my first Christmas cookie exchange was hosted by your mom @ her home. Another memory was when she had us write & draw our favorite things on butcher paper @ one of your birthday parties. We asked her why she was having us do that & she told us she would save it so that when we were older we could see if we still liked the same things and have a good laugh. I could go on and on about how she touched my life and many of us growing up at St. Martins and Mac!! What I remember most is her warmth and kind spirit she had for everyone she came into contact with!! My thoughts and prayers are with you & your family Beth!! She is remembered with great love!!

“ *To Ed & Family~*

Your mom was such a bright spot at St. Martin's and at Mac. So was your dad. We have such fond memories of those days and the tight-knit community we were all a part of...they are both missed by so many but rest assured they both live on in you and your sister.

May God bless your family during this time; our prayers are with you.

“ *Paul and David Tutt...*

When I was a kid, I clearly remember when Mary and Jim were first dating and then later married. It was always fun to see them both when they would stop by and visit "the Tutts" on School Street. Mary was so nice and she always had a smile to share with the neighborhood kids. Years later we bought a house down the street from the Zoph's on Hawthorne Lane. And everytime we greeted one another that same warm, friendly smile would and appear just like the first time we met.

My thoughts, prayers go out to all of you.
