“ I am so deeply saddened by the passing of Mary Kay. I knew her from her work with the Bradley Bourbonnais Chamber. She was a woman of great integrity and wit. I never knew her to say an unkind word about anyone. She was the most positive person I have ever known. I pray that her soul will rest in peace with the lord.

“ *Mary Kay you will surely be missed. You have been around for all my families hairstyles all the way back to my grandma. Remembering all the fun times in the shop at your house and no matter what was going on you made us laugh. Hearing you goggin sisters singing it up. Now you can sing up in heaven and entertain grandma and grandpa, aunt carol, dad and many more. You all will have fun catching up with everyone but will be greatly missed down here. My thoughts and prayers are with Chad and his family and the rest of yours as well in always be in our hearts.*

“ Mary Kay was always one of the nicest, friendliest people I know. You could not be around her and not be in a good mood - she had a knack for making people happy making sure everyone around her had fun. You and I got to work many times on many committees and projects together over the years, Mary Kay, and I always admired your dedication, your talent, and your heart. Wish we could float in Karen's pool together a little while longer before you go, but I'm guessing there are galas and golf outings to plan in heaven, and Moses' hair isn't going to cut itself. God bless, dear friend. You, Randy, Ann, Trish, and all of your family will be in my prayers.
