“ As a child growing up I can always remember the fun times we had with "Aunt Babe", and all of the kids. Sure we could get in trouble, but Aunt Babe had a way of letting Mom know we were just kids, and that was our way of expressing ourselves. Even maturing as an adult we still had a close relationship when visiting home. We would always have a few choice moments to visit, sometimes to short, but always positive.<br><br>We will miss you and always keep you in our hearts.<br><br>Love always<br><br>Randy & Judy##imported-begin##Judy i; ½Hebert Timms##imported-end##
