“ *Maureen was such a joy to visit with. She was always gracious and went beyond the call of duty for advise in how to achieve enhancement of property. She always shared personal experiences and was so easy to talk too! I so much enjoyed visiting with her. She will be missed.*

Maureen and I went to High school together we were very good friends back in the day but as the years went on we grew apart we caught up with each other a few years ago and it was just like being back in school sharing stories about the old days and what was going on in our life's for so many years. She was a great person and is surely going to be missed. She had a great since of humor and was always kind, she will be missed
