“ Karen and family,
I was really saddened to hear about Micky. So many pleasant memories came to mind! You and your family went through a lot together. We lost track of each other when I retired from St. Mary's. Treasure the good times shared. Sincerely, Mary O'Brien

“ My thoughts and prayers are with you Karen, Nikki, and your children and families. There are many memories of Mick to share. He was my light in my fight with rsd. But the one of the best was sitting in Bishop Mac's stadium all together watching my son Bill play football and Nikki cheering him on. To the best neighbors on the street always there when you needed them! Love you Mick! Karen you are amazing love you!
