“ Was just google people whom I hadn't heard from in years. Micah was my room mate in the barracks when we were in the navy. I have thought of him often since. I am saddened by the Francisco families loss and offer my sincerest condolences. He was my friend in a time when I had few.

“ Oh, dear brother of mine. We had so many great memories together. We'd also been through such hard, trying times together, but we would always succeed. Words can not express the love that I felt for you. Your gigantic, loving heart and dynamic sense of humor would always light up the room and steal the spotlight. Although I'm happy that you will now be hanging around Matty, Roger, and Olen...I still feel selfish when I say that I wish you were still here. You were taken away far too early, but as they say, most of the great ones are. I will never forget the bond that we shared for sooo many years, and how you loved your family so dearly. Having said this, my heart is with you Vince, Vicky and all of Micah's beautiful children during these dark days. He is truly now in a better place and there will be no more suffering. May God take him in his arms and show him everlasting peace and light. Micah, you were so loyal and true, and will now be looking over your kiddos. Until my time comes, say hello to heaven for me old pal! You will be loved and missed dearly.

“ Bob and I are so sorry to hear of Micah's passing. We remember him when he was a child and then in later years and I can only say that he is with God now and is at peace. Unfortunately your hearts are all breaking at this time, but lean not to your own understanding of death as we perceive it, but know that he is a child of God and is with his heavenly father.
