“ Thom: I am so very very sorry to hear you lost your son: He looks like he had your special spirit. I have a sense of what kind of father you are, from your daughters, and I cannot imagine how you and your family feel.

Bless you. I am so very sorry for your grief. Much too soon, of course. Love to you all.

“ Tom & Cathy,

*Our deepest sympathies go out to your and your family. I didn't know Michael personally,
I did hear several nice things about him when I was visiting QP testing a few weeks ago. Very sad for your loss.*
