“ So sorry we did not hear about this in time to attend the wake. We will be forever grateful to Mike for his help when he first rented to us, a family with 5 young children, and then worked with us to purchase our home. He was truly a blessing to us then and we have always cherished the memory of what he did for us. So sad to hear of this loss - prayers of comfort to Mary and all the family.

“ What a special man Mike was!! When there was laughter, Mike was probably right in the middle of it! What a special New Years Eve we spent with him & Mary to ring in 2017!

“ "Hi, Guy!" This was Mike's greeting as he relieved me or I him at the golf course. Always with a beaming smile and a joke of some sort. I miss you as a friend and neighbor and just a good man always ready to lend a hand or advice on some home fix project. Still look to see you in the driveway in your lawn chair as I pass the house.
