“ Mike was a great guy. I worked for him and with him for a total of 15 years. He was always there to help. He loved his family and treated his friends like family. I regret that we didn't keep in touch more in the last few years. We always had a good laugh together.

God bless you Mike.

“ Mike was a wonderful man -- fun to be around with a great sense of humor. I have never had so much fun at a job as when working with Mike in the Media department at KCC...and then building sets with him for KVT. Then pizza night every now and then when the Macks were in town.

Peace, Mike, from "Mot."###imported-begin##Tom Goodman###imported-end##

“ What a nice,nice man. My prayers go out to Mike's whole family, may God wrap his arms around all of you and hold you close to him . I will always remember Mike when he was Sr in high school working on their homecoming float at Medler's shop down from our house. Mike would stop by and tell me and Shirley Laurent when they were going to be working on it and we would ride our bike's down to to help them. Always a kind heart. Then came Riverside, it was so nice seeing a familiar face in the print shop, Mike always took pride in the hospital and what it stood for. And he fought for the country he loved and wore the uniform with pride.###imported-begin##Pam (Gladu) Tolly###imported-end##

“ Mike was so dedicated and caring about his work at all times at Riverside Medical Center. He could always be counted on to give his best to anyone and everyone. He dedicated time to volunteering for the Christmas Basket Committee, helped brightening so many childrens' holidays through the years. I can still hear his joyous chuckle that would emerge into a full-blown laugh and how he would wipe the tears from his eyes from laughing. I remember seeing his "Beep Beep" video from the Riverside Lip Sync that made me laugh until I cried. I remember his love of flowers, animals (and a very special kitty), and penguins. There are so many happy memories of how he made a difference as part of our Riverside family. Mike left a tremendous legacy at Riverside through his dedication to our community, our staff and our patients. He can never be replaced; we miss him. To all of Mike's family--you remain in my thoughts and prayers.

“ Mike was always a great help both backstage and onstage in the early years of KVTA. His sense of humor always was a delight to share. *½*
The many years of our group of penguins and parties were also memorable.
Mike's laughter will cheer the souls of those he reunites with in heaven!
May God be with the family in this sad time.##imported-begin##Marsha Hill##imported-end##

“ Mike and his sister Judy were some of the best neighbors I have ever had. I knew that if I needed something they would be glad to help. Mike loved working in his big yard and garden and was always sharing some of their fruits and vegetables with me and the neighbors. I enjoyed watching him stack firewood behind his garage each year in preparation for the winter so he could light that fireplace of his! He had a great sense of humor and could always find something funny to laugh about. My condolences to all of his family. May he rest in the hands of God.
