“ So very sorry to hear about Michael. I'm remembering all the time he spent with my children in their childhood years. His loving smile & gentle manner were most welcome. He always had questions when my husband Ray was working around the house & yard. I'm told he did the same when we left the house in Momence & my son Tim & his wife Rochelle moved in with their family. Love & prayers to Pat & the family.

“ So very sad to hear this news. Micheal was part of my childhood “Market street gang” and one of my first friends in life. I was happy to find him on Facebook decades later and reconnect every now and then with my old friend. My prayers go out to the Reising family My thoughts and Prayers to Mrs Reising and Mikes siblings.

“ I am so saddened to hear this. I met Michael years ago when I was working at Kankakee Community College. He would visit the Writing Lab for help with his school work, but over time, he became a friend. This is just really so sad.
