“ I have many fond memories of growing up on Fourth avenue. The kids would play outside using our imaginations to make up games to play, we were army soldiers one day, the next we would scream at the top of our lungs our loyalty to Zorro. We would have overnight stays at each others home, one of my clearest memories was Rosemary's spaghetti. Omg that was awesome ,.my mom never made it so it was a treat. Me n Chris would play dolls or games on the porch. As we got older our lives seemed to of gone apart, but in my heart I will never forget my friends Mike n Chris on fourth ave. RIP my brother Mike I loved you.

My family moved from Kankakee and Fourth Avenue in 1959. I also have fond memories of Mike. Going to the swimming pool almost every summer day, playing hide and seek at night on our bikes and playing Army. Great time to be a kid!!
