“ *Michael Zullo was my father. A tremendous, gentle man that was often mistaken for being grumpy. (If you had me for a son, you'd understand his grief:) Dad didn't share much of his work with me. He always focused squarely on me. My thoughts, my needs were his first priority. I'll never forget his undying love for me. I always wished I could've measured up and been the son he deserved. Truth was I was trying so hard to be him. The irony of that is no body could match his work ethic, dedication, and love for his friends/family. I want to thank everyone for their comments and memorable stories. Keep them coming and I will check this site often to hear more.*

“ Dear Connie and family,
I was so shocked and saddened when David called me to tell me Mike had passed away just that afternoon. I am so sorry for your loss, it was so sudden.
As first cousins, I remember growing up and visiting each others houses during holidays, etc. There were always so many of us when we did get together. Those memories will always stay with me.
Mike was always a nice, nice man. Took time to talk with my mom, never seemed to get too ruffled, always came to the family reunions bringing the chicken!
I will keep him and all of you in my prayers. I am sorry that I could not make the service.
Mike's Cousin,

“ Connie and family, Thinking of you on this very sad day and praying that God will give you all strength. I'm sure that you will hear lots of Webco stories but I wanted to let you know how much I admired Mike. He was the ultimate unselfish, dedicated, loyal guy and he will be greatly missed by everyone at Webco. I last spoke with Mike on Friday morning and he was "taking care of business" as usual. As driven as he was to doing a fantastic job always, his family was definitely his top priority and I'm sure that you will continue to feel his love and support from above.

“ *Connie and family,
I was shocked and saddened to hear of Mike's passing. He was a true friend, and I will miss him. I remember the good times we had, at your wedding, and in subsequent visits. I pray that Mike is finally free from his many aches and pains, and able to find and drive that old Crown Vic that he always wanted.*

“ I just lost a Great Friend someone who cared about me and others. I will miss him a great deal sorry Mike you are to young and too caring to go. Ten years ago a friend was staying at the house and Mike called and she answered, her comment was who was that mean sounding man. I am sure everyone has answered a phone call from Mike ,
MIKE ZULLO CALLING as I said to her and I'll say now he may have sound mean and rough, but he was a gently lamb. Love you Mike and prayers for you and your family .

“ I have worked at Webco since 2000 and Mike became a very dear friend that I never met face to face. He would call me once a week and tell me his troubles and some times he even had good times to share with me.
I used to tease him when he thought certain people were giving him a hard time and told him to win them over with his personality. He loved his family and would share his stories about his wife and son.
My husband passed away in January 2012 of cancer and he was always checking in on me to make sure I was okay.
Mike you will truly be missed.
My thoughts and prayers go out to Mike's family.
