“ It was Monday August 3rd and I was just finishing a session, when I checked my phone and saw the text. I was numb, shocked, and confused to say the least. So, I cancelled all my appointments that day and went home to fill my house tears. I haven't stopped crying since. Michele and I met at Indian Oaks, she was a teacher for program 4 and I was a floor staff on program 4 as well. After I had my first conversation with her, I knew she was worth talking to every day. We had conversations every day and that led into what we have today and that's a great friendship. After I left Indian Oaks, I started my own counseling/private practice and needed some receptionists. I contacted Michele and she became my part time Secretary. Our conversations continued and it was like we never left Indian Oaks. I looked at Michele as my little sister. After hearing of her passing, words cannot say how heartbroken and sad I am. Not just for me, but for Michele's husband and her family. It's so hard for me to go to my office, especially on Tuesdays and Thursdays, because those were the days she worked. I've been crying "crocodile tears" every day, because I miss Michele, our talks, and our great friendship. I'm super sad, but I know I'll get through this. Michele, you are a beautiful person and I'm going to miss you so much. In closing, as the tears began to start, I just want you to know that, as a friend, I love you and I'm going to seriously, seriously miss you. May God rest your soul my friend.

“ Michele was such an inspiration! So sweet, warm, always friendly, and so positive!!! I haven't seen Michele since High School, but have followed and interacted with her on social media through her infertility journey. She was so strong to share her story, not only for herself, but to encourage others, and help us to remember we are not alone. My deepest condolences. I pray for comfort and peace as Grant, her family, and friends naviagte through this.
