“ *Michelle was a great friend. As many know, our work can be challenging, and you have to often laugh and make the best of it. Michelle was always showing us the comical side of things. Always smiling and taking the bright side.*

I have worked side by side with Michelle for almost 20 years now, spending many holidays and memories with her. We were brought together by work, but friends by destiny.

I will miss our "lunches" Michelle.

“ I worked with Michelle for many years at Shapiro, and without a doubt, she is one of the kindest, gentlest persons I know. It was a pleasure to work with her and to get to know Michelle outside of the work environment. During the many years, we shared many a conversation about a wide-range of topics. I know how much she cared for her mother, and how much she loved and worried about her family. You touched my life, Michelle, and now you are in God's hands. Peace to you, my friend.
