“ My brother and I are so saddened to hear of Michelle's passing. She was my grade school buddy and neighbor. Michelle and I met, at the age of 6yo, climbing the dirt hill in between our houses as they were being built on West Ave. I believe she said, "Do you want to be friends?" I was like, "Yep, lets play in the dirt!" The memories were made from there. We played tag, red rover, kick the can, we rollerskated, skateboarded, we rode our bikes everywhere, we snowmobiled, we pulled weeds in our family's garden, we caught fish in Duquoin, we caught fish in Upper Michigan, and on occasion, we may have even gotten in trouble. There are so many wonderful, wonderful memories. I was truly blessed to have had Michelle as my friend.

*I pray that our Lord brings comfort and peace to all of Michelle's beautiful family.*

“ My family and I were deeply saddened to hear of Michelle’s passing. I use to work with her at Coke A Cola back in the day. She was always so helpful, caring, and fun to work with. I ran into her at Olive Garden in January of 2020. We talked and hugged. I always enjoyed talking to her. She was always a very positive person. She will be sadly missed. Our deepest sympathy to all the family. ☐☐☐

“ I will always remember the activities us staff participated in with our residents of Heritage Woods. Michelle was always right there playing along. Wish I could find the picture of our style show, when she dressed up as a baby! RIP DEAR MICHELLE 🥹
