“*Mikey is who you will always be to me. I will always remember your smiling face, a trait that you had. Life goes by so fast so we must experience and treasure every moment good or bad for in the end love is what survives and the memories of you will always live in our hearts. You will never be forgotten. Sending hugs and prayers to all the Torres family.*

“*Dear Mike, I remember the first time I met you you were about 7 a curious mischievous killer boy. Then I married your cousin Israel a few years later we moved into the basement of tíos building in Wabansia, that's where we have so much fun with your siblings we played penny poker & other games you loved eating my “burnt cookies” along with your siblings when Israel wouldn't eat them. I saw you grow up into a handsome young man “living la Vida loca” then become a husband and father, Israel and I were honor when you asked us to be Emily godparents . We had many good times all this years also a few bitter ones but our family love always was there.*

The first time we came to visit after finding out about your cancer you said “ Sorry you have to see me like this” well my dear I thank God for placing me in your life at another difficult moment when you need family. I'm so blessed to have been able to be with you till a day before you went to eternal life. The last couple of days I felt sad yet happy knowing you will see our Lord and all our loved ones. I read you passages of the Bible to help on your final journey, and pray I helped you do that. Until we meet again..... I love you so forever in my heart. RIP SWEET MIKE 🥹😊🙏💜💜💜

“ I love you Mike Torres. You will be so missed. I love that I was able to visit this past October and enjoyed spending time with you when everyone was at work. I enjoyed our lunch we had at the diner that day. Rest now my sweet brother in law and sing with the angels. Many memories of you and your beautiful smile. Missing you dearly.
