“ Maw maw,

As I've called you ever since I was young, and as I'll always call you. You are in heaven now and my heart is heavy. But I know you're still watching over us, I feel your presence everyday. You have passed so much wisdom on to me that I'll cherish forever. You were always so happy and smiling as big as ever every time I saw you. I'll never forget all the double mint gum you used to chew and how you used to send me a stick of gum in the mail with a letter haha. You always knew how to do the little things to make me smile. I already miss you and I miss the way you used to say, "Hey Kyle!" And it hurts to know you're gone, but you're with God now and I know he is looking after you as you did for us. So instead of mourning your loss, I will celebrate your life and all the time I got to spend with my great grandmother. Until we meet again Maw Maw, I love you.

“ We thought of you today,
But that is nothing new.
We thought about you yesterday,
And days before that too.
We think of you in silence,
We often speak your name.
Now all we have are memories,
And your picture in this frame.
Your memory is our keepsake,
With which we'll never part.
God has you in his keeping,
We have you in our heart.

“ We had a wonderful grandmother,
One who never grew old,
Her smile was made of sunshine,
And her heart was solid gold,
Her eyes were bright as shining stars,
And her cheeks fair roses you see.
We had a wonderful grandmother,
And that's the way it will always be.
But take heed, because
She's still keeping an eye on all of us,
So let's make sure
She will like what she sees.

“ Granny,

*If tears could build a stairway,
and memories a lane, I'd walk
right up to heaven and bring you
home again.*

*I am so grateful for all of the times we spent together
You have guided me through my life and shared all of your wisdom.
I will forever cherish all of our great times and memories together.
And you will forever be in my heart and I know you will always be
my guardian angel watching over me.*

“ We little knew that morning
God was to call your name.
In life we loved you dearly,
in death we do the same.
It broke our hearts to loose you,
You did not go alone.
For part of us went with you
The day God called you home.
You left us beautiful memories,
Your love is still our guide,
And though we cannot see you,
You are always at our side.
Our family chain is broken,
and nothing seems the same,
But as God calls us one by one,
The chain will link again.

I love you mom. I am grateful you were my mother and confidant.
