“ It is with a heavy heart I send all my prayers and heart-felt hugs to the Johnson and Barnett families. In 1980 when I moved to Valparaiso, IN I know that Don and Margaret Johnson were enjoying the 'light of their life' five year old Mindy. They had waited a number of years to become a family and this was their delight. I am thinking of you, Margaret and Aaron and Andrew and the loss of Don so soon . I'll just state it "Life is not fair or a bowl of cherries." Shane, as Mindy's loved husband; I know the two of you had many plans and adventures you wanted to share. It is my hope that you know and believe in the only Hope we know: Lord God Creator . He calls us with 'eternity' in view and more love than we can comprehend. Myself, I believe it in my own life and experienced a little 'taste' of the depth of love on this earth. My prayer is that you be surrounded by people who love, support, encourage, and can sustain you through this most difficult time of your lives. Marianne Davison

Our deepest sympathies to Mindy's family. I really enjoyed talking to Mindy whenever she would stop by the store. We shared our dog stories, talked hair, and then just talked. I'm going to miss her a lot! I'll always think of her when I look at the awesome sweater she knitted for my American Bulldog (who is no small dog to knit for). May God be with you all during this very sad time and always.
