“ Bob:

I just learned today (Nov. 5) that Myra had passed away. Even though we moved from the Kankakee area 7 years ago, I have never forgotten her. She would always stop by my office when I was working in the evening and be so cheerful. Many times she always had her delicious homemade treats to share ... I especially remember her peanut butter/chocolate chip cookies. When I retired, she brought me a big containers of them, and they were the best. Final farewells are always difficult ... she was a very special person. It was an honor to know her, and I am very sorry for your loss.

“ My thoughts and prayers are with you, Bob, and your family on the loss of Myra. I always enjoyed talking with her when she would stop by the sports department. She was a great lady and always had an interesting story each day, whether it was her bus students, her animals, or her family that she loved so much. Take care of each other in this difficult time.
