“*Myron, if this is you, you were one of the few close friends of my uncle Don, (who has also since passed away). When I was a young boy, he used to pick us up and take us up there to go sailing. I remember you liked Nash automobiles, and sent Mike and I photos of those cars along with a handwritten letter. I wasn't always the best kid growing up, but I remember you as a good man, and I still remember your face and some of the advice you gave me, as well as stories you told.*

I pray that you (and Don) met Jesus and made it into heaven, and I pray that you are able to see Don. Please help my brother Mike if possible,
