

## Myrtle E. Gleba

November 18, 1920 - May 8, 2015

Myrtle passed away peacefully on May 8th, 2015, after 94 years of kindness and generosity to her family and friends. She was born November 18, 1920 in Owensville, Missouri.

She is survived by 3 daughters (MaryAnne McIntosh, Patricia Firestone, Tamera Gleba) a son (Joseph Gleba), 6 grandchildren, and a healthy assortment of great-grandchildren. She was preceded in death by her husband of 50 years (Joseph Gleba) and a son (James).

She was an avid quilter, she loved the Cubs and crochet, and she spent her life focused on her family.

Myrtle lived a simple life – her family and church were her primary interests. Not surprisingly, her wishes included a very simple end-of-life request: she wanted to be cremated with no ceremony.
