“ Even though I know you are in a better place
There is nothing I wouldn't do just to see your face
I wish I could have shown you my best
But only today I'm ok will laying you to rest
Your no longer in pain and all sickness is gone
I just have one last request just one last sad song
Forever memories are engraved in my Heart
I love you grandma we will never be apart
I too someday shall join you in Gates of Heaven
For now I shall show you that I can be a blessing
****A Note To ALL My Family***
**Live each day as if it were you last, never hold onto a grudge with family cause one day they will be gone and then you will live with that on your heart and soul for the rest of your life.
LOVE and be LOVED**
Peace Be With You

“ Merry Christmas From Heaven

I still hear the songs I still see the lights

I still feel your love on cold wintry nights

I still share your hopes and all of your cares

I'll even remind you to please say your prayers

I just want to tell you, you still make me proud

You stand head and shoulders above all the crowd

Keep trying each moment to stay in his grace

I came here before you to help set your place

You don't have to be perfect all of the time

He forgives you the slip if you continue the climb

To my family and friends please be thankful today

I'm still close beside you in a new special way

I love you all dearly now don't shed a tear

Cause I'm spending my Christmas with Jesus this year
