“ Will always have fond memories of Boots at good old N.G.P.L. , the card table factory but most of all being the mother of a great class mate Barb. You were always a caring first class lady who gave so much to the people in your life. Rest in peace.

Grandma was interested in events and activities with friends and family. I will always love grandma for all the good times. The best thing I learned in our relationship is grace, as I was not the favorite.

Playful and considerate grandma travelled and kept up with those people closest to her. She has a strong belief in traditions, standards, learning, and duty.
