*Niel, You were a good friend and my next door neighbor for years. I look for you to drive up in your car and hug your cats. I know I will never see that again and I will miss that till it comes my turn. Your house is so empty now. Until then, so long my ol good friend. Felipe*

“ *Neil, your blood may not run through my veins, but you were every bit a grandparent. You stepped into this family and at times took on big responsibilities with us. You will always be in our hearts!*

*I hold you in my heart!  
Love, Jodi*
