“ Im really going to miss that great big smile that just lit up the room at night. Every one in my family feels this lost with me. My mom said "you use to talk about him so much i feel like i knew him". He was so special to me. I use to say if you knew him you had to love him, and if you didnt, you really miss out on something special. I will keep Maria in my prayers. God be with this family, as we celebrate this little ones life.###imported-begin###Linda Lyles-Lathim###imported-end##
