“ I am saddened to learn of the death of Nick Fenimore. My deepest sympathies to his family. I worked with Nick at the Color Tile Distribution Center in University Park, Il. for a long time. We had a fun during and after work. I wish I would of seen more of of Nick after Color Tile had closed, but we were never able to get around to it. So long, Nick.##imported-begin##Roger P. Did you know how I admired your artist ĩ½creative expression and your love for the outdoors. ĩ½

“ ĩ½To Nick's family,

I am very sad to hear the news of the death of Nick. ĩ½I worked with Nick for several years at the Color Tile Warehouse which was in University Park. ĩ½I always enjoyed talking and being around Nick. We were both the same age. Nick was a very talented guy with a great sense of humor. ĩ½He always treated his co-workers well. ĩ½He was a real down to earth guy. ĩ½He cared a lot about things that happened. Good guys like Nick are hard to fine.##imported-begin##Darrel Bruck##imported-end##
