“ Nicky was always a joy to be around when I babysat the other kids when they were small. She always loved sitting next to me and twirling my hair while we read books and liked the pictures of the animals. Your family is in my prayers.

“ My life has never been so touched by someone I've never met before than the way Nicky has touched mine. I've been shared stories about her; all so rich with love and affection. Our world should be blessed with a thousand Nicky's, but Heaven gets her back now. Dear Lord, please grant your angel Nicky eternal peace and love, and please grant her family and loved ones strength and perseverance through their grieving. Thank you for allowing me to feel your spirit, Nicky. God bless you xoxo
