“ *Our hearts reach out to all of the friends and family of Nicole. She was a beautiful person inside and out. She's always been considered a part of our family - best friend and sister. Some of our last memories with her were during our wedding weekend, spending a lot of time together and making the entire event that much more special. The hole in our hearts can not be measured and she will never be forgotten. We're keeping Grant, the girls, and their families in our thoughts and prayers. Love, Richie and Julie Furniss*

“ *My deepest sympathy to Cindy and Steve, Jimmy and Carol and the entire family in the loss of your beautiful daughter, niece, sister, granddaughter etc. Words cannot begin to express how I feel. This was such a shock, we don't understand why, but yet we must have faith that there was some reason we'll never understand until we're all together again. May it comfort you in knowing you will see her again someday, and the fact that she has left behind two beautiful daughters who will go on and you will be able to see Nikki inside of them. God bless you all. Cindy if you need anything at all in the future, just let me know.*

“ I had met Nicole recently as she was looking for someone to care for Buddy and Shelby here and there. My first impression was that she was an incredibly beautiful person inside and out and that she obviously loved her family (including her pets) very, very much. She was just so nice. So I was incredibly sad to hear this news. My saddened heart goes out to her husband, girls and Buddy and wishes them all some form of peace that I imagine can only partially come with time. I am a bit comforted by the concept/visual that she and Shelby are together now.
