“ I have been out of the country and just learned today (April 24) that Norma passed away.

I was her "little sister" at Calgary General Hospital in the early 1960's. I still have the picture that the Calgary Herald took of Norma and me passing the candle at the annual CGH banquet. Good memories.

“ Greetings to the family of Norma Morgan. WE were sorry to hear about the passing of Norma. We enjoyed getting to know Norma and Earl. WE first met them back when they were on the mission field in 1989 and we were visiting the Grubes and we stayed in their guest quarters. They were very kind to us. We were on our way home on furlough from South Africa.

In 2019 our district NWIL became our LINKS missionaries. I was involved with the LINKS missionaries at that time so I got to renew our friendship with them. I enjoyed our conversations on the phone every once in a while. She was very proud of her family.

I'm sorry we didn't hear sooner of her passing and the visitation. You are in our prayers through all of the changes that you are going through. God Bless You !

“ Norma was a delightful lady. We met in her home many times for fun and relaxation.
We had a group who would bring their knitting and crocheting and spend time chatting and enjoying each others talents.
Norma was a blessing to me and how she loved sharing her girls activities.
God bless her families. What a wonderful servant of God!

“ *Norma and I spent happy times together at the Calgary School of Nursing, Calgary General Hospital, 1958-1961. She was energetic, sincere yet enjoyed much laughter, and a good friend. It is wonderful to learn of her fulfilled life in Christian Missionary service with her family following her faith walk toward heaven. May God bless you all, strengthen and comfort you as He guides you in the days ahead.*
