“ Dear Renee and family,

I was very sorry to hear of your mom's death. ĩ½She was such a special and generous lady and always made me feel like one of her own. ĩ½I will always remember the Florida trip and great times at your house on Castle Coombe when she was so patient with how silly we were. ĩ½I hope you can take comfort in your memories and knowing she is no longer suffering.

Love to you all,

“ Renee and Eddie I am so soory to read of your mom's passing I know this can be such a time of mental blurr and emotional jolt. ĩ½Knowing that she is at rest in gods home now is of some comfort but the little reminders that remind you of your mom can bring such a warm feeling like when the rays are shinning down from the heavens on those rare occasions know that and feel the warmth and ĩ½love of your of your mom's smile embrase you! You both could hear her in the back of your mind cheering you on!
